**1<sup>st</sup> Sunday of Lent****Year A****29<sup>th</sup> February/1<sup>st</sup> March, 2020****Archbishops Lenten Program**

As we come to Ash Wednesday we think of the ocean of ashes in which we have drowned as the fires have engulfed the land. Ours is a land of fire. Fire is part of the ecology of Australia, and it has been for thousands of years. But this was something different, with a touch of the apocalyptic about it. It was not only the number of fires, but our sheer powerlessness to stop them. The efforts of the fire-fighters were heroic, but they too must have felt powerless before the blazes they faced. Flora and fauna were devastated; communities, families and individuals had their lives shattered. It will take a long time to recover and rebuild, and the Church has to accompany all these people in every way possible as they seek to recover and rebuild.

Then came the floods, which seemed to sweep away whatever was left after the fires. We had prayed for rain, and God knows we needed it. But in some places the rains seemed almost too much, and the floods again faced us into our powerlessness before the force of nature.

On top of all this came the threat of the coronavirus, which may be receding but is certainly not behind us. It may have begun in China but the data shows that it has spread far and wide as these pandemics do; and Australia hasn't been spared. Medical science is scrambling to respond, and that's good. But this virus seemed to come out of the blue and left us initially feeling bewildered and powerless, even to understand the virus, let alone cure it.

So as we begin the journey of Lent, events have confronted us with a sense of powerlessness and fragility. Illusions of omnipotence or invulnerability have been shown for what they are: a lie. The truth is that we are often powerless and always fragile. But the greater truth to which Lent looks is that there is a God who comes to meet us precisely where we are most powerless and fragile. That's what the Cross of Jesus means. When he dies on Calvary, Jesus goes to the very heart of all human powerlessness and fragility. He becomes so powerless that he lies finally a corpse on the ground. He becomes so fragile that He's crushed by the brutalities of a violent world. But from the ashes He rises in the moment of Easter, for which Lent is a preparation – a preparation which takes us down into the dark place of our powerlessness and fragility, the place where we'd rather not go.

We go down to that dark place through Lent, renewing our faith in the God who raised Jesus from the dead. This was the God who breathed life into the dark tomb of Jesus and led him forth into the light. All the false gods are masters of the lie of omnipotence and invulnerability. They leave us with nothing but the ashes; they are the lords of despair; and Lent is a time to dethrone the false gods.

But the true God is with us – with the fire-fighters battling the blaze, with the communities and families who have lost so much, with the many who are struggling to offer solidarity and support. The true God is with the farmers who have suffered years of drought, and with those who have been stricken by flood – and also with the many who have reached out to people tempted to despair because of drought or flood.

Lent is the time given to us to open our hearts to the power of Easter. On Ash Wednesday we take the ashes upon ourselves in recognition of the truth that we are often powerless and always fragile. But by the time we get to Easter, we have come to a deeper sense that we are empowered in our powerlessness that we are made strong in our weakness. Knowing that we can walk from the tomb with Jesus; we can rise from the ashes with him to sing the song of Easter. Fires may rage and floods come, but the voice of hope is always heard. Nothing and no-one can silence the voice of Jesus risen from the dead.

Now, the acceptable time!

Return to the Lord with all your heart.

Now, the day of salvation!

In the liturgy and liturgical catechesis on LENT the reminder of *baptism* already received or the preparation for its reception, as well as the theme of *repentance*, renew the entire community along with those being prepared to celebrate the paschal mystery, in which each of the elect will share through the sacraments of initiation. For both the elect and the local community, therefore, the Lenten season is a time for spiritual recollection in preparation for the celebration of the paschal mystery.

World Day of Prayer 2020

## ZIMBABWE

*Rise! Take your mat and walk!*

This year's World Day of Prayer Service in our local area is being hosted by Broadwater Road Uniting Church on Friday, March 6<sup>th</sup> commencing 10:30am at 481 Broadwater Road, Mansfield.

The 2020 Service has been prepared by the women of Zimbabwe, and the committee of Broadwater Road is excited that they have managed to engage the participation of a group of Brisbane women originally from Zimbabwe which will engage an extra dimension.

Although originally a women's annual prayer service, it is now being encouraged that men are invited to attend.

Our parish hosted a very successful occasion last year at St Joachim's. We are now asked to support this year's event and the hosts.

## PROJECT COMPASSION

GO FURTHER TOGETHER

## First Sunday of Lent 1<sup>st</sup> March 2020

Shirley, 36, is an indigenous Manide woman living in a remote province in the Philippines. Shirley was struggling to support her family and keep their children in school. She faced regular discrimination and disadvantage, limiting her family's access to food, education, employment and healthcare. With Caritas Australia's support, Shirley trained to become an indigenous health worker. She has learnt to supplement her income and is able to feed her family. The program has also empowered Shirley to send her children to school.

**Please donate to Project Compassion 2020 to help people like Shirley, and her children gain confidence and respect within their community. Let's Go Further, Together.**
