### **Seeing miracles**

"On the way to Jerusalem..." These opening words remind us of the great journey Jesus is taking from his home territory of Galilee towards Jerusalem. On this journey, Jesus takes the border road, skirting the hostile territory of Samaria, for as a Jew he would not be welcome. Here, on the outskirts of the territory he meets a group of outcasts, both Jew and Samaritan united in the common bond of leprosy.

The story is familiar to you, but have you ever considered the other nine lepers in this miracle story? They too were cured. They did exactly what Jesus told them to do. They did what their religious laws demanded in going to the priests to be announced as clean and so able to join the praying community. But they took their healing for granted and failed to see the miracle of God's goodness to them. The one who does recognize the wonder of what has occurred is the foreigner, the one least like to expect it. The God of Israel, the God of Jesus the Jew, has reached out beyond the boundaries of Judaism and the Samaritan realizes this. Jesus then offers this Samaritan something more than the other nine. All ten were cured, but this foreigner is offered Salvation.

Where are you in this story: Are you with the nine, doing all the correct things but without perceiving the wonder of God's goodness to you? Or like the outsider, the Samaritan leper, can you see the miracles of God unfolding around you?

Mary Coloe PBVM

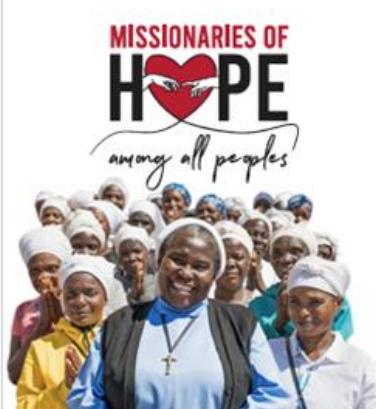

### **Sincere thanks**

On behalf of the parish staff and parishioners I would like to extend our sincere thanks and appreciation to Fr John Lai, Fr John Gillen, Fr Tom Elich and Fr Joson Antony for your support over the last few weeks while Fr Thomas has been on his annual holidays.

May God's blessing be upon you for your spiritual leadership and service to our community.

### **WORLD MISSION SUNDAY APPEAL - 18<sup>TH</sup> AND 19<sup>TH</sup> OCTOBER 2025**

October is World Mission Month and we are thankful for your partnership to hold Catholic Mission annual church appeal in the month of October. We invite you to support the work of **the Church in Zambia bringing hope to those who need it** – for mothers struggling to provide for their families, women risking their lives to give birth and entire communities yearning for a brighter future.

For women like Sharon, who must choose between feeding their children or selling their crops to survive, and Grace, who risked her life traveling 160km for safe childbirth, hope comes through Sr Jane and Kayula. Through sustainable farming, Sr Jane helps women provide for their families. At the Chilonga Mission Hospital, Kayula ensures mothers and babies receive the dignity and care they deserve.

**This World Mission Month, we invite you to extend your generosity to help enhance the vital work of the Church. Your support can make a significant difference to the lives of many, offering hope to the people of Zambia.**

### NEW QUEENSLAND LEGISLATION - POSITION OF AUTHORITY OFFENCES

We have been asked by the Office of Safeguarding to share the following info:

What the new laws do:

1. New "Position of Authority" offence - From 20 September 2025, it became a crime for an adult in a position of authority to engage in sexual acts with 16 or 17 year old person under their care, supervision or authority. This applies even if the young person consents. Consent is not a defence in these cases.
2. Who is considered a person in a position of authority - Adults who have influence/trust/power over young people aged 16-17 in those roles including (but not limited to) teachers, health practitioners, carers, sports coaches, religious and faith leaders, bosses, etc.
3. Exceptions / defences - There are some limited exceptions, including:
  - lawful marriage
  - close-in-age defences (i.e. if the age difference is small)
  - reasonable belief by the accused that the person was 18
4. Penalties - For the Position of Authority offence: up to 14 years' imprisonment. For repeated unlawful sexual behaviour under the care/supervision/authority: up to life imprisonment in more serious cases.

Why these changes were made

- To fill a gap in the law and make certain relationships unlawful due to the power imbalance.
- To bring Queensland into alignment with other Australian states and territories on protecting adolescents from sexual exploitation by adults in positions of trust.
- To respond to recommendations from the Women's Safety and Justice Taskforce and the Royal Commission into Institutional Responses to Child Sexual Abuse.
